NOW, THEREFORE, in consideration of the mutual covenants and promises set forth herein, the receipt and sufficiency of which are hereby acknowledged, the Parties hereto agree as follows:

AGREEMENT

1. Appointment of Contractor. The District hereby retains Contractor for purposes of performing the Services (as such term is defined in Section 2 hereof) set forth in one or more Work Order(s) issued hereunder, and subject to the terms and conditions of this Agreement. Contractor hereby agrees to perform the Services set forth in any Work Order issued hereunder, pursuant to the terms and conditions set forth herein. Contractor acknowledges and agrees that the District may, in the District's sole discretion, engage other contractors, to perform the same or similar Services as may be needed by the District, and that Contractor's authority to perform the Services hereunder shall be limited to those Services set forth in a Work Order and, if applicable, a Change Order (as such term is defined in Section 2 hereof) executed by the Parties.

2. Scope of Services. Upon execution of this Agreement, the District and Contractor shall execute one or more Work Order(s) ("Work Order"), attached hereto as **Exhibit A** and incorporated herein by reference, describing the Services to be provided by Contractor and the compensation to be paid by the District for the Services rendered. In the event the Parties need to modify the Services set forth in the Work Order, the Parties shall execute a Change Order, as set forth in **Exhibit B** attached hereto and incorporated herein by reference, describing the specific changes to the Services to be provided by Contractor and any changes to compensation to be paid to Contractor by the District. At the request of the District and upon agreement of the Parties, Contractor may perform additional services that are beyond the scope of existing services set forth in any Work Order issued hereunder. Such additional services and compensation to be paid for the additional services will be set forth in a new Work Order executed by the Parties. Any new Work Order issued pursuant to this Paragraph 2 shall be subject to the terms and conditions set forth in this Agreement. No Work Order or Change Order shall be authorized and executed by the District unless sufficient funds have been appropriated by the District for payment of the Contractor's compensation, as provided in Section 13 hereof. Contractor shall have no right or authority, express or implied, to take any action, expend any sum, incur an obligation, or otherwise obligate the District in any manner whatsoever, except to the extent specifically provided in this Agreement. Contractor shall at all times conform to the stated policies established and approved by the District.

A. General Duties. In connection with performing the Services set forth in any executed Work Order and/or Change Order issued hereunder, Contractor agrees to:

(1) Provide all Services in a good and workmanlike manner and in accordance with any and all approved plans, documents, and specifications described in Contractor's proposal to provide such Services to the District;

(2) Furnish, or cause to be furnished, all labor, materials, equipment, permits and accessories, as necessary, to provide such Services;

(3) Take all precautions necessary for safely and prudently conducting the Services required by this Agreement, including maintaining insurance as required by Section 7 hereof;

(4) Advise the District of the status of the Services required by this Agreement on a regular basis and work in coordination with the District's staff and Contractors to

assure that the District has the most complete information available for the exercise of the District's powers and discretionary authority; and

(5) Refrain from entering into any contract, oral or written, in the name of the District, and from incurring any debt, liability or obligation for or on behalf of the District. All obligations incurred by Contractor shall be the obligations of Contractor whom shall hold the District harmless therefrom.

B. Compliance with Applicable Law. Contractor shall provide the Services as set forth herein in full compliance with all applicable laws, ordinances, rules, and regulations of any federal, state, county, or municipal body or agency thereof having jurisdiction in which this Agreement is performed. Contractor declares that Contractor has complied with all federal, state and local laws regarding business permits, certificates and licenses that may be required to carry out the Services to be provided pursuant to this Agreement.

C. Subcontractors. Contractor is solely and fully responsible to the District for the Services to be provided pursuant to this Agreement, including all acts and omissions of subcontractors and persons employed by them. Contractor will require any subcontractors to obtain the required insurance coverage pursuant to Section 7 hereof and to agree to indemnify the District in the same manner as Contractor pursuant to Section 10 hereof.

D. No Right or Interest in District's Assets. Contractor shall have no right or interest in any assets of the District, or in any lien with respect thereto, arising out of this Agreement or the performance of the Services contemplated herein.

E. Responsibility for Errors. Contractor shall be responsible for all Services performed pursuant to this Agreement, including any Work Orders and Change Orders issued hereunder. Contractor, when requested, shall furnish clarification and/or explanation as may be required by the District, regarding any Services rendered pursuant to this Agreement, and any Work Orders and Change Orders issued hereunder, at no additional cost to the District. In the event of an error or omission caused by Contractor or its Subcontractors, Contractor shall, at no cost to the District, provide all necessary design drawings, estimates and other services necessary to rectify and correct the matter to the satisfaction of the District and participate in any meetings required with regard to the correction at no cost to the District.

3. Compensation. The District shall compensate Contractor for Services rendered in such amount(s) and/or at such rates as set forth in the executed Work Order or, if applicable, Change Order. Contractor shall not receive additional compensation for any changes to a Work Order unless the District and Contractor have executed a Change Order authorizing the change in Services and the payment of additional compensation to Contractor. Any and all Work Orders and Change Orders resulting in additional compensation to be paid to Contractor by the District beyond the amount originally appropriated by the District as set forth in the Work Order, shall require the appropriation of funds by the District, as set forth in Section 13 hereof, prior to the execution of any such Work Order or Change Order. The District is exempt from Colorado sales and use taxes. Contractor shall use reasonable efforts to ensure that the costs for Services provided and charged to the District do not include sales and use taxes.

A. Performance Reports and Invoices. Contractor shall submit monthly performance reports and invoices for Services rendered to the District. Performance reports shall be in a form acceptable to the District and describe the work completed to date, work in progress and work yet to be performed. Concurrently with the submission of the performance report, Contractor shall submit an invoice to the District that summarizes costs paid to date by the District and the amount currently due to Contractor. Invoices and performance reports are to be submitted to the District no later than the 3rd day of each month for Services completed in the preceding month. The District shall pay Contractor's invoice within forty-five (45) days from the 3rd day of each month. The District reserves the right to review and/or inspect all Services completed and invoiced prior to payment as set forth in Section 3.B. herein. If any or all the Services are not accepted for payment by the District after review and/or inspection of the completed Services, the terms of Section 3.B. herein shall apply.

B. Review and Inspection of Services. The District may review and/or inspect the Services provided at any time throughout the term of this Agreement and shall notify Contractor if, in the District's discretion, any or all Services are not provided in accordance with this Agreement and any Work Order and Change Order issued hereunder. Failure by Contractor to properly provide the Services required pursuant to this Agreement, including any Work Order and Change Order issued hereunder, shall constitute a default of this Agreement. In such case, the District shall provide written notice of said default to Contractor. Contractor shall have two (2) days to cure or to reasonably commence to cure the default unless otherwise agreed to by the Parties. If Contractor fails to cure the default within the time period provided, the District shall be entitled to pursue all remedies provided by law and in equity, including specific performance, and to recover all costs and reasonable attorney fees incurred in any suit or claim brought by the District to enforce the terms of this Agreement and any Work Order and Change Order issued hereunder. In addition, in the event of an uncured default by Contractor, the District may hire a third party to complete the Services and Contractor agrees to pay all additional costs incurred by the District for the completion of the Services by a third party.

C. Compensation Upon Termination. In the event this Agreement is terminated as provided in Section 5 hereof, the District shall pay Contractor for all Services satisfactorily completed pursuant to any Work Order or Change Order issued hereunder, through the effective date of termination. Compensation for work in progress shall be prorated as to the percentage of work completed as of the date of notice of termination or the effective date of termination, as applicable. In ascertaining the Services actually rendered through the date of notice of termination or the effective date of termination of this Agreement (and all Work Orders and Change Orders issued hereunder), consideration shall be given to both completed work and work in progress pertaining to the Services contemplated herein.

4. Term. The term of this Agreement shall begin on the date set forth above, shall be effective as of such date regardless of the date of execution hereof, and shall terminate upon completion of all Services unless otherwise terminated by the District or Contractor pursuant to Section 5 hereof. In the event the completion of Services occurs in a fiscal year following the effective date of this Agreement, such Services to be performed in the following fiscal year shall be subject to annual appropriations by the District as set forth in Section 13 hereof.

5. Termination. The District shall have the right to terminate this Agreement, with or without cause, at any time, by providing written notice to Contractor of such termination and specifying the effective date of termination thereof. Contractor shall be entitled to receive compensation in accordance with Section 3.C. of this Agreement for any Services satisfactorily completed pursuant to the terms of this Agreement prior to the effective date of termination. Contractor may terminate this Agreement, with cause, by delivery of written notice of termination to the District at least thirty (30) days prior to the effective date of termination. Such notice shall specify the extent of termination and the effective date. Contractor shall stop rendering Services pursuant to this Agreement upon the effective date of termination. Upon any termination and payment of all undisputed amounts owed to Contractor, Contractor shall transfer title and deliver to the District all Work Product, as defined and described in Section 6 hereof, which shall be deemed from and after the effective date of this Agreement to be the property of the District.

6. Ownership of Work Product. Any and all Work Product, as such term is defined herein, created, prepared, and/or produced by Contractor pursuant to this Agreement shall become the sole and exclusive property of the District under all circumstances, whether or not Contractor completes the Services set forth hereunder or the Agreement is terminated by either Party. Upon payment of Services completed or completed through the date of termination to the satisfaction of the District and upon requested by the District, all Work Product shall be delivered to the District in hard copy and in an electronic format compatible to the District's computer applications at Contractor's expense. The District shall have the right to use and re-use all Work Product resulting from Contractor's efforts performed pursuant to this Agreement in any way or manner deemed appropriate by the District. Any modification of the documents, without written verification, completion, or adaptation by Contractor, as appropriate for the specific purpose intended, will be at the District's sole risk and without liability or legal exposure to Contractor or to its officers, directors, members, partners, agents, employees, and subcontractors. The District's use of any or all such Work Product for its own purposes shall not be a violation of any patent or copyright thereof. Contractor agrees that the copyright and other intellectual property rights (as are applicable) in and to any component of the Work Product, and to the design and content of the Work Product, are hereby assigned and shall belong exclusively to the District. Upon request by the District, Contractor shall promptly execute whatever legal documents or other materials that the District deems necessary to secure, perfect, or substantiate the District's exclusive rights and interest in any Work Product created pursuant to this Agreement. For purposes of this Agreement, "Work Product" includes, but is not limited to, any and all finished or unfinished design, development and/or construction documents, drawings, reports, writings, data, studies, graphics, maps, plans, specifications, electronic files and other documents, materials and information, in every form and/or format, which Contractor prepared and/or used in connection with this Agreement. All drawings, specifications and other documents prepared by Contractor pursuant to this Agreement are not intended or represented to be suitable for reuse by the District or others on extensions of the work or on any other project.

(2) Enter into a contract with a subcontractor that fails to certify to Contractor that the subcontractor shall not knowingly employ or contract with an illegal alien to perform work under this Agreement.

C. Verification.

(1) Contractor has confirmed the employment eligibility of all employees who are newly hired for employment to perform work under this Agreement through participation in either the E-Verify Program or the Department Program.

Contractor shall, within twenty (20) days after hiring an employee who is newly hired for employment to perform work under the Agreement, affirm that the Contractor has examined the legal work status of such employee, retained file copies of the documents required by 8 U.S.C. Sec. 1324a, and has not altered or falsified the identification documents for such employees. Contractor shall provide a written, notarized copy of the affirmation to the District.

9. Independent Contractor. Contractor is an independent contractor and nothing contained herein shall be construed as constituting any relationship with the District other than that of owner and independent contractor, nor shall it be construed as creating any relationship whatsoever between the District and any of the Contractor’s employees. Neither the Contractor nor any of Contractor’s employees are or shall be deemed employees of the District. Contractor is not, and shall not act as, the agent of the District. The employees who assist Contractor in the performance of the Services shall at all times be under Contractor’s exclusive direction and control and shall be employees of Contractor and not employees of the District. Contractor shall pay all wages, salaries, and other amounts due Contractor’s employees in connection with the performance of the Services and shall be responsible for all reports and obligations respecting such employees including, without limitation social security tax, income tax withholding, unemployment compensation, worker’s compensation, employee benefits and similar matters. Further, Contractor has sole authority and responsibility to employ, discharge, and otherwise control Contractor’s employees. Contractor has sole authority and responsibility as principal for Contractor’s agents, employees, subcontractors and all others Contractor hires to perform or assist in performing the Services.

10. Indemnification. Contractor shall indemnify, assume all responsibility for, and hold harmless the District and each of its directors, officers, consultants, employees, servants, agents, and authorized volunteers, from and against any and all claims, demands, suits, actions, proceedings, judgments, losses, damages, injuries, penalties, costs, and expenses (including reasonable attorneys’ fees), and liabilities arising, or alleging to arise, directly or indirectly, in whole or in part, from the intentional or negligent acts or omissions of Contractor or any of its subcontractors, agents or employees, in connection with Contractor’s performance, duties, and obligations pursuant to this Agreement; provided, however, that Contractor shall not be liable for any claim, loss, damage, injury or liability caused by the negligence or fault of the District or any third party under the control or supervision of the District. If Contractor is providing architectural,

engineering, surveying, or other design services, then the extent of Contractor's obligation to indemnify or hold harmless the District may be determined only after Contractor's liability or fault has been determined by adjudication, alternative dispute resolution, or otherwise resolved by mutual agreement between Contractor and the District. The obligations of the indemnifications extended by Contractor to the District under this Section 10 shall survive termination or expiration of this Agreement. Upon execution of this Agreement, Contractor shall provide the District with a copy of Contractor's IRS Form W-9, Request for Taxpayer Identification Number.

11. Governmental Immunity. Nothing in this Agreement shall be construed to be a waiver, in whole or in part, of any right, privilege, or protection afforded the District or its directors, officers, employees, servants, agents, or authorized volunteers, pursuant to the Colorado Governmental Immunity Act, Section 24-10-101, *et seq.*, C.R.S.

12. Liability of the District. No provision, covenant or agreement contained in this Agreement, nor any obligations herein imposed upon the District shall constitute or create an indebtedness or debt of the District within the meaning of any Colorado constitutional provision or statutory limitation.

13. Subject to Annual Appropriations. The District does not intend hereby to create a multiple-fiscal year direct or indirect debt or other financial obligation whatsoever. The District's payment obligations hereunder for any and all Services authorized pursuant to Section 2 of this Agreement are subject to annual appropriations of funds by the District. Any extension of this Agreement, including any Work Orders or Change Orders, resulting in additional compensation beyond amounts originally appropriated, if any, shall be subject to annual appropriations of funds by the District.

14. Bidding. The District shall be entitled to bid for the same or similar services that Contractor could provide pursuant to this Agreement as the District deems necessary to comply with current law regarding contracts for such services. Contractor shall have no claim against the District if this Agreement is not extended for any fiscal year or if Contractor is not selected to perform certain services as may be needed by the District throughout the fiscal year.

15. Notices. Any notices, demands, or other communications required or permitted to be given by any provision of this Agreement shall be in writing and may be personally delivered; sent by certified mail, return receipt requested; sent by electronic mail, delivery receipt requested; or sent by a nationally recognized receipted overnight delivery service for earliest delivery the next day. Any such notice shall be deemed to have been given as follows: when personally delivered to the party to whom it is addressed; when mailed, three delivery (3) days after deposit in the United States mail, postage prepaid; when by electronic mail, on the day sent if sent on a day during regular business hours (9 a.m. to 5 p.m.) of the recipient, otherwise on the next day at 9 a.m.; and when by overnight delivery service, one (1) day after deposit in the custody of the delivery service. 17. Assignment. Contractor shall not assign or transfer its rights hereunder, or subcontract any work hereunder, either in whole or in part, without the prior written consent of the District. Any attempted assignment or transfer shall be void and shall constitute a breach of the Agreement and cause for termination of this Agreement. Regardless of the District's consent, no assignment or transfer shall release Contractor from Contractor's obligation to perform all other obligations required to be performed by Contractor hereunder for the term of the Agreement. The waiver of any right or remedy in respect to any occurrence of event shall not be deemed a waiver of any right or remedy in respect to any other occurrence or event, nor shall any waiver constitute a continuing waiver.

20. Severability. If any provision of this Agreement is determined by a court of competent jurisdiction to be unenforceable in any circumstance, such determination shall not affect

the validity or enforceability of the remaining terms and provisions hereof or of the offending provision in any other circumstance.

21. Attorneys' Fees. In the event that litigation is brought by either party hereto in connection with this Agreement, the prevailing party shall be entitled to recover from the opposing party all costs and expenses, including reasonable attorneys' fees, incurred by the prevailing party in the exercise of any of its rights or remedies hereunder or the enforcement of any terms, conditions, or provisions hereof.

22. No Third-Party Beneficiaries. This Agreement is entered into for the sole benefit of the District and Contractor and no other parties are intended to be direct or incidental beneficiaries of this Agreement and no third party shall have any right in, under, or to this Agreement.

23. Conflicts. The terms of this Agreement may be used to construe the intent of the Parties in connection with any exhibits, addendums, amendments, Work Orders, or Change Orders attached hereto, and shall be read as nearly as possible to make the provisions of this Agreement, and any such exhibits, addendums, amendments, Work Orders, and Change Orders fully effective. Should any irreconcilable conflict arise between the terms and provisions of this Agreement and the terms and provisions set forth in any exhibit, addendum, amendment, Work Order, and/or Change Order attached hereto, the terms and provisions of this Agreement shall prevail.
